

County Ballot Printing Status  
Prepared for the Wisconsin Supreme Court  
September 10, 2020

County Name	Clerk Name	# of Ballots Ordered	# of Municipalities Receiving Ballots	Ballot Order Date	Approximately how many ballots have already been printed?	What is the name and position of the person responsible for ordering ballot printing in your county?	Is there anything else you feel it is important for the Wisconsin Supreme Court to know about ballot printing?
<b>Adams</b>	Cheryl Kroenig						
Ashland	Heather Schutte	All		9/6/2020	Unknown	Heather Schutte	
Barron	DeeAnn Cook	2,000	36	09/08/2020	Unknown	DeeAnn Cook, County Clerk	I surveyed my clerks and all except one said to hold off printing until we get a firm decision on candidates from WEC so I had ballots printed for the one and we are holding off for everyone else. I fully realize there is a deadline for these to be delivered to municipal clerk but I also feel it is very important to defend our decision to wait. I WILL have a pdf to all municipal clerks so that they can be sure to meet the deadline for all military and overseas voters. If the rest are a little late, so be it.
Bayfield	Scott Fibert	13,660	28	09/09/2020	13,660	Scott Fibert	If we are ordered to reprint ballots the Federal law mandate of delivery by September 16 will not be attainable as most of the printing is outsourced. Should the taxpayers pay for the reprinting or perhaps the parties bring the lawsuit? These potential issues should have been dealt with before the final hour.
Brown	Sandy Juno	150,000	24	09/12/2020	0	Sandy Juno - County Clerk - 920-448-4021	Approximately 150,000 total ballots have been ordered by municipalities, which is 50 hours of printing, so quick decision needs to be made. Zero ballots have actually been printed at this time as we await Court decisions.
Buffalo	Roxann Halverson	5,175	23	09/08/2020	1,875	Roxann Halverson, County Clerk	Most of the ballots have been delivered to the municipal clerk and absentees may have been processed.
Burnett	Wanda Hinrichs	0	24		0	Wanda Hinrichs, County Clerk	No.
Calumet	Beth A. Hauser	19,950	16	09/04/2020	19,950	Beth Hauser, Calumet County Clerk	No
Chippewa	Jaclyn Sadler	40,110	32	09/02/2020	40,110	Jaclyn Sadler, County Clerk	In order for County Clerks to meet their statutory duties ballots needed to be ordered with enough time to allow County Clerks to deliver to municipal clerks. It is also extremely hard to only allow a day or two for municipal clerks to send out ballots after they receive them. Most of our clerks work full time jobs outside of their clerk duties. I hate the words fair and unfair but I find it unfair that County Clerks were/are put in this position of trying to make decisions when the courts are not acting expeditiously. This should not be happening the week before ballots are to be mailed out.
Clark	Christina M. Jensen	17,180	46	09/04/2020	17,180	Christina Jensen	Ballots were shipped from ES&S on 9/8/2020.
Columbia	Sue Moll	37,190	34	9/4/2020	37,190	Sue Moll	Printing of ballots was done to comply with Wisconsin Statute 7.10(1),(3) and delivery to municipal clerks by September 16th. This information is being provided by the County Clerk's Office due to Susan Moll being out of the office.
<b>Crawford</b>	Janet Geisler						
Dane	Scott McDonell	515,585	60	08/28/2020	491,000	Rachel Rodriguez, Elections Management Specialist	The vast majority of ballots have already been printed, and many municipalities already have received their ballots.
Dodge	Karen J. Gibson	53,960	41	09/03/2020	Unknown	Karen J. Gibson, Dodge County Clerk	Question 3 above is Total Ballots which includes absentee and election day. At this time, Dodge County has only given the go ahead to print half of the absentee ballots. Approximately 15,000 are awaiting on a court decision before I give the go ahead to print the rest.
Door	Jill Lau	22,700	19	09/04/2020	22,700	Jill Lau, County Clerk	
Douglas	Susan T. Sandvick	36,000	22	09/03/2020	21,525	Susan T. Sandvick, County Clerk	Absentee ballots were just delivered to my office. It will be difficult for counties to absorb the cost to reprint. It may not be possible to meet the mailing deadlines. Plus much voter confusion if some have mailed out ballots. We are too far in the process for this to occur.

County Ballot Printing Status  
Prepared for the Wisconsin Supreme Court  
September 10, 2020

County Name	Clerk Name	# of Ballots Ordered	# of Municipalities Receiving Ballots	Ballot Order Date	Approximately how many ballots have already been printed?	What is the name and position of the person responsible for ordering ballot printing in your county?	Is there anything else you feel it is important for the Wisconsin Supreme Court to know about ballot printing?
Dunn	Julie A. Wathke	29,010	30	09/07/2020	15,260	Julie A. Wathke-County Clerk	County Clerk's had no choice but to proceed with the printing to fulfill the statutory deadline to deliver ballots to the municipal clerk's. The normal process in my county is that all ballots are printed at the same time. I did request that only the absentee ballots be printed so 15,260 of my total order on 29,010 ballots have been printed and shipped to the county. Given a further delay, it is unlikely we can reprint and fulfill the statutory deadline to get ballots to the municipal clerks by the September 16, 2020 deadline.
Eau Claire	Janet Loomis	66,415	18	09/03/2020	66,415	Janet Loomis, County Clerk	The cost of the ballots printed is approximately \$14,000
FLORENCE	DONNA TRUDELL	3,000	8	09/04/2020	3,000	DONNA TRUDELL	
Fond Du Lac	Lisa Freiberg						
Forest	Nora Matuszewski	0			0	Nora Matuszewski	In Forest County we print our own ballots and were waiting as long as we could for the courts before we printed them. We want to start printing tomorrow.
Grant	Linda K. Gebhard	25,120	23	09/04/2020	Possibly all of them Command Central print the ICE ballots	Linda K. Gebhard, Grant County Clerk	Order to print was sent on 9/4/2020 at 10:22 a.m. in order to meet the deadline of September 15 to have them to the Municipal Clerks for them to send out on the 17th.
Green	Arianna Voegeli	25,800	22	09/09/2020	unsure	Arianna Voegeli - Green County Clerk	
Green Lake	Elizabeth Otto	7,325	9	09/08/2020	1,000 ICE machine ballots	Elizabeth Otto - County Clerk	ICE voting machine ballots were more of a rush so those were ordered on 09/04/2020 - Insignia ballots were ordered on 09/08/2020
Iowa	Greg Klusendorf	16,200	25	9/4/2020	Unknown	Clerk Greg Klusendorf and Deputy Clerk Kristy Spurley	If the ballots have to be reprinted I very much doubt we would have them in time to deliver them to the municipalities by September 16th.
Iron	Michael Saari	200	11	09/10/2020	0	Michael Saari, County Clerk	Only 200 ballots have been ordered so far for overseas and military. You have to make a decision so we can order 3000 ballots needed for the election.
Jackson	Kyle Deno						
Jefferson	Audrey McGraw	49,250	34	09/11/2020	0	Audrey McGraw and Deb Schroedl	If we do not send our file to the printer tomorrow, we will likely not be able to meet the statutory deadline.
JUNEAU	TERRI L TREPTOW	12,080	28	09/04/2020	6,000	TERRI TREPTOW COUNTY CLERK	It will be a very big expense to have to reprint ballots.
Kenosha	Regi Bachochin	131,000	13	09/04/2020	131,000	Regi Bachochin	Any changes will not require just reprinting ballots, but reprogramming the ballot, testing before resending to printer. Delay Clerks meeting the statutory deadlines of delivery to municipal clerk's, and therein delay municipal clerk's from meeting their deadline. .
Kewaunee	Jamie Annoye	10,690	14	09/07/2020	Unknown	Jamie Annoye - Kewaunee County Clerk	Making clerks reprint ballots would put us in the position to fail with the statutory deadline given to us, not to mention would cost a ton of money to have ballots reprinted & reproofed.
La Crosse	Ginny Dankmeyer	107,133	18	09/04/2020	107,133	County Clerk	I have spoken with our printer who also prints for several counties and his concerns is the availability of additional ballot paper, the time to get more paper in house to print ballots again and the deadline that he would never be able to meet of the 17th to get ballots back to the county clerk to disperse the muni clerks. Not to mention the time it would take the muni clerks to initial and stuff.
Lafayette	Carla M Jacobson						
Langlade	Judy Nagel	9,830	27	09/09/2020	Unknown	Langlade County Clerk Nagel	no
Lincoln	Chris Marlowe	0	19		0	Chris Marlowe	Please make a decision so we can print our ballots. I have them on order but am waiting for clarity before they print.
Manitowoc	Jessica Backus	35,782	31	09/04/2020	35,792	Jessica Backus, County Clerk	The City of Manitowoc Clerk orders her own ballots. She placed her order on 9/4/2020 for 11,800 will be delivered by the end of the day.

County Ballot Printing Status  
Prepared for the Wisconsin Supreme Court  
September 10, 2020

County Name	Clerk Name	# of Ballots Ordered	# of Municipalities Receiving Ballots	Ballot Order Date	Approximately how many ballots have already been printed?	What is the name and position of the person responsible for ordering ballot printing in your county?	Is there anything else you feel it is important for the Wisconsin Supreme Court to know about ballot printing?
Marathon	Kim Trueblood	98,000	61	09/04/2020	98,000	Kim Trueblood, County Clerk	I have contacted the printer to pause the printing, but was told they are "almost done." We went ahead and ordered more ballot stock in case we have to re-print 90 thousand some ballots so that would be available right away. There's no way we could meet the statutory requirement to have ballots in the hands of our clerks on Sept 16 if we have to do a re-print.
Marinette	Kathy Brandt	20,300	25	09/04/2020	20,300	Kathy Brandt	7,700 optical scan - ordered approx. 10:00 a.m. and received today 09/10/20 Hand count paper ballots - one side printed - other side on hold now No ballots distributed to Municipal Clerks as of 09/10/20
Marquette	Gary Sorensen	0	19		0	Gary Sorensen	#5 above not applicable to us #3 we print in-house, holding to see what is going on
Menominee	Laure Pecore	1,600	1	09/10/2020	0	Laure Pecore County Clerk	Ballot was sent to printer but we are waiting for a guidance
Milwaukee	George Christenson	899,901	19	09/04/2020	331,015	Julietta Henry	Milwaukee County have requested that the printer only print the absentee ballots requested by the municipalities to ensure that ballots are delivered by the statutory deadline. Ballot printing for Milwaukee County consists of 475 different ballots styles. In addition, there are different color stripes on each ballot. The ballots are printed on a black and white printer and the color ballots are printed on a color printer. This is extremely time consuming. If Milwaukee County is forced to stop printing, and begin designing, testing, and printing a new ballot, we will not be able to meet the state and federal deadlines, including the September 16 deadline for delivering printed ballots to municipal clerks, the September 17 deadline for mailing absentee ballots to electors who have a request on file, and the September 19 deadline for sending ballots to military and overseas voters under the federal Uniform and Overseas Citizens Absentee Voting Act.
Monroe	Shelley Bohl	475	34	09/03/2020	475	Shelley Bohl, Monroe County Clerk	We have 34 Municipalities that are awaiting the printing of their ballots. We find it hard to hold off any longer to make state statute requirements. We still have to have professional printers print thousands of ballots, shipping of the ballots, and then getting them out to municipalities. From there, thousands of absentee ballots will need to be processed by the 17th. We feel this is almost impossible at this point. This will take additional staff time and cost. We are a very rural county with municipal clerks that have full time jobs on top of their municipal duties. Please let us move forward immediately with ballot processing so all state/federal laws can be accomplished without disruption.
Oconto	Kim Pytelski			9/4/2020	Unknown	Kathy Goldschmidt, Deputy	
Oneida	Tracy Hartman	27,580	21	09/03/2020	Unknown	Tracy Hartman, County Clerk	Ballot printing has already begun and it will be very costly to make changes at this time. In addition, voters are anticipating ballots being sent out on September 17 and if ballots are not sent out on that date there will be calls to clerks demanding to know where the ballots are.
Outagamie	Lori O'Bright	134,555	32	09/03/2020	134,555	Jeff King, Deputy Clerk	Ballots are currently being distributed to municipalities.
<i>Ozaukee</i>	Julianne Winkelhorst						
<i>Pepin</i>	Audrey Bauer						
Pierce	Jamie Feuerhelm	28,310	25	09/08/2020	28,310	Jamie Feuerhelm - County Clerk	The cost of possibly reprinting ballots b/c the cases were not handled more expediently.
Polk	Lisa Ross	11,900	14	09/08/2020	Unknown	Lisa Ross	the 11,900 ballots for 14 municipalities are optical scan ballots that Command Central indicated were headed to print. There are an additional 3,600 hand count paper ballots for 24 other municipalities that were just printed by us, in our office
<i>Portage</i>	Kayla Filen						
Price	Jean Gottwald	11,000	22	09/04/2020	Unknown	Jean Gottwald, County Clerk	
Racine	Wendy Christensen	140,000	17	09/09/2020	0	Wendy Christensen, Racine County Clerk	The court rendering a decision expeditiously is important for counties and municipalities to meet the required deadline for getting ballots to the voters.
Richland	Victor Vlasak	All		9/10/2020	Unknown	Richland	

County Ballot Printing Status  
Prepared for the Wisconsin Supreme Court  
September 10, 2020

County Name	Clerk Name	# of Ballots Ordered	# of Municipalities Receiving Ballots	Ballot Order Date	Approximately how many ballots have already been printed?	What is the name and position of the person responsible for ordering ballot printing in your county?	Is there anything else you feel it is important for the Wisconsin Supreme Court to know about ballot printing?
Rock	Lisa Tollefson	103,250	All Rock County Municipalities	09/08/2020	68,000	Lisa Tollefson County Clerk	Ballots were ordered to be printed as late as possible for our clerks to meet their deadline of mailing on Sept 17th. To reprint ballots at this time, our clerks would not have the ballots in time to meet the Sept. 17th deadline.
Rusk	Loren Beebe	3,600	33	09/08/2020	1,800	Loren Beebe, County Clerk	
Sauk	Rebecca C. Evert	53,350	38	09/02/2020	53,350	Rebecca C. Evert - Sauk County Clerk	Our ballots have already been printed and shipped from ES&S.
Sawyer	Carol Williamson	9,335	21	09/04/2020	2,360	Carol Williamson	We need the ballots printed so we can deliver to the Municipal Clerks by September 16 and meet deadlines
Shawano	Pam Schmidt	15,100	36	09/04/2020	8,000	Pam Schmidt, Shawano County Clerk	Aside from the timing of this all and the huge expense if we'd have to reprint ballots and I don't know how we can get them printed in time to meet a statutory deadline.
Sheboygan	Jon Dolson	95,000	28	09/04/2020	0	Jon Dolson	I have ballots printed in-house and the order is currently on hold. Our print shop is waiting for my signal to start printing.
St. Croix	Cindy Campbell	65,900	33	09/02/2020	35,500	Cindy Campbell, County Clerk	
Taylor	Andria Farrand	8,845	27	09/03/2020	8,845	Andria Farrand- County Clerk	All ballots were just delivered to my office this afternoon.
Trempealeau	Paul Syverson	9,355	26	09/07/2020	1,580	Paul Syverson County Clerk	
<i>Vernon</i>	Ron Hoff						
Vilas	David R. Alleman	7,550	15	09/08/2020	Unknown	David R. Alleman	My budget cannot afford to re-print these ballots. Election budget is in deficit due to the unforeseen May 7 special election date in the 7th Cong. Dist.
Walworth	Kimberly Bushey	70,760	30	09/04/2020	70,760	Kimberly Bushey, County Clerk	We worked with our ballot printer to determine the last possible time we could order ballots and be assured the ability to comply with the legal deadline to distribute them to Municipal Clerks. Printing (and programming) this quantity of ballots is a significant County expense. At this point, if we were required to reprogram and reprint ballots, we would not be able to make the Wednesday, September 16th deadline to distribute ballots to Municipal Clerks.
Washburn	Lolita Olson	5,650	25	09/10/2020	5,650	Lolita Olson, County Clerk	Ballot printing takes time - preparation, printing, delivery....this can't be done last minute and still meet the statutory guidelines we will all be scrutinized on.
Washington	Ashley Reichert	101,055	20	9/9/2020	0	Ashley Reichert, County Clerk	Washington County ordered ballots on 9/9/2020 and planned to have them print on 9/10/2020, our order is being moved to 9/11/2020 for printing pending the court decision. Washington County will still have ballots by 9/16 to our municipalities. We will be personally picking them up and delivering them. In addition, Washington County has offered county staffing to stuff absentee envelopes for our municipalities if they need assistance.
Waukesha	Meg Wartman	397,205	37	09/03/2020	379,380	Meg Wartman, County Clerk	Ballots are scheduled to be delivered to the municipalities on Tuesday, September 15th.
Waupaca	Jill Lodewegen	27,580	34	09/04/2020	15,930	Jill Lodewegen Waupaca County Clerk	Obvious but in order to meet our statutory deadline of September 16, we held off as long as we could to print.
Waushara	Megan Kapp	4,900	5	09/09/2020	Unknown	Megan Kapp, Waushara County Clerk	I only order optical scan ballots for 5 municipalities. The rest of the ballots I print in-house, and I've been holding off to print those with intentions to begin printing Friday.
<i>Winnebago</i>							
Wood	Trent Miner	56,428	34	09/01/2020	38,750	Trent Miner, County Clerk	Printing takes time, as does the preparation the clerks need to do to mail them out by the state and federal mandates. I cannot wait until the day, or even week, before the deadline to order ballots. Time ordered was 3:19 p.m.
