VIDEO SURVEILLANCE

- Some video footage has been collected related to these protests. The footage needs to be reviewed by an officer / detective and transcribed. ***Time Intensive***
- Footage that needs to be collected / reviewed from the protesters' route:
 - Target
 - Mayfair Mall
 - Escape route after shooting (needs to be canvassed)
 - DOT cameras
 - Squad Video
 - Residents' cell phone videos

CANVASS

- The neighborhood of the shooting needs to be canvassed for video evidence. Patrol did a canvass the night of the shooting, but there may be additional cameras / video footage.

ADDITIONAL FOLLOW-UP

- DNA elimination swab collected from Mensah and Moody.
- Statement from Currie Park witness and collection of video.
- Identification of “protesters” captured in video footage.
- Search warrant of Facebook accounts pertaining to protests.
- Intel from MPD / other agencies on Lofton, Bell & GMC.
- Recovery of bullet from residence (search warrant / consent).
- Contact potential CI’s for information / Request assistance from the public.
- Interview / arrest individuals identified at the protests for additional intel.
- Surveillance of Bell and Lofton to put them down at addresses for potential future search warrants.
