

Taxpayer-funded communications from Wisconsin House members, 2022

This table lists all taxpayer-funded communications from Wisconsin U.S. representatives in 2022 that were included in the online records from the House Communications Standards Commission as of Friday, Sept. 23, 2022. The communications links in the first column lead to a copy of the mailer, script or other communication online in the House database. Most items will open in a new window; some will download as a Microsoft Word document. The fourth column has links for the approval record of each communication requiring approval.
